Help fight crime! Keep on the watch and inform your local law enforcement agency if you see any of the wanted individuals listed in this publication.
Fellow Citizens and Businesses and Lycoming County Business Community:

For the sixth straight year, I am proud to have the Office of Lycoming County Sheriff join forces with Lycoming County District Attorney Eric Linhardt to bring to you Lycoming County’s Most Wanted Sixth Edition.

In July 2010, the first edition of “Lycoming County’s Most Wanted” was published. The goal of that publication was to locate and apprehend Fugitives from Justice. It was extremely successful due to the efforts of you, the citizens of Lycoming County, businesses who advertised and the work of the Williamsport Sun Gazette. Leads and tips are worked aggressively, confidentially and with great determination by fugitive task force members throughout our law enforcement community. The apprehension of nearly 500 fugitives out of 1000 that were posted in the 2010 - 2014 “Most Wanted” publications demonstrates the success of this important tool designed to seek out and arrest fugitives living within our communities.

“Lycoming County’s Most Wanted Volume VI” emphasizes that our law enforcement agencies from across Lycoming County have no boundaries when it involves locating and apprehending fugitives. We partner with local, state and federal law enforcement as we work tirelessly to bring justice to those who flaunt their freedom at the very institution that represents law and order. Volume VI of “Lycoming County’s Most Wanted” represents local, state and federal agency support from all Lycoming County Law Enforcement Agencies. Once again, the Lycoming County Commissioners, Lycoming County 911 Center, Lycoming County Adult Probation, Lycoming County Department of Information Services and the Lycoming County Prison are also to be commended for their support of this public safety initiative. As you can see, this is truly a County-wide cooperative effort.

Please take a moment to look at each and every photo and name. Discuss with your friends, family and co-workers any faces or names that look familiar and dial our SHERIFF’S OFFICE FUGITIVE HOT LINE at 185LYCOMING or 1-855-926-6464 24/7. In addition to the fugitive hotline, you may also contact the DRUG TIP HOTLINE at 1-866-688-8477. You may email tips at drugtips@lyco.org with any information, however insignificant it may seem because every tip is important. As long as we have 1 fugitive on the run, that is one fugitive too many in this County. The message has not changed: If you victimize our citizens, in any manner, and become a fugitive, we will find you.

I confidently speak for all law enforcement within our County as I personally extend our heartfelt thanks for each tip and every lead that will be received for the U.S. Marshal Service Fugitive Task Force, the District Attorney’s Drug Task Force and County-wide Law Enforcement. Let’s ALL make a difference and do our part to keep the criminals off of our streets as we continue to partner to keep “Lycoming County Safe”. On behalf of each and every victim, thank you for your support and any tips you provide.

Yours in service,
R. Mark Lusk
